WORKSTATION SPECIFICATIONS

OPERATING SYSTEM

Windows 10 needs to be in the Semi-Annual service channel. The Long Term Service channel does not support the App Store or other needed in-box applications.

CASHDRAWERS

Cashdrawers are only supported in the Windows application.

Posiflex cash drawers work but not recommended due to the hardware functionality.

Functionality for APG cash drawers are currently in development.

PIN PADS

Dual Pin Pads work only in Windows in Version 2.0.0 or later.

BIOMETRICS

Identometrics is supported for fingerprint ID scanning.

EXISTING HARDWARE

Current hardware owned by the district may be tested by PrimeroEdge technicians to confirm compatibility
